

Welcome to DHA J-7 Continuing Education Program Office’s NEW learning management system (LMS). Go to www.dhaj7-cepo.com to visit our new LMS.

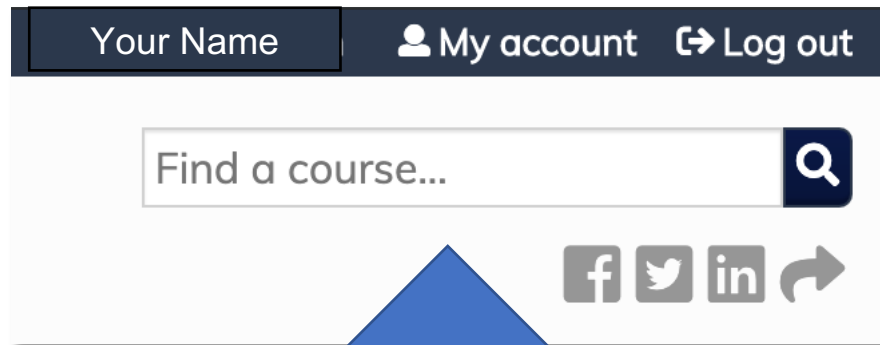

If this is your first time at the site, please register to create an account. When creating an account, please save your username and password in a safe place. Please note that **your username will be needed to log into the LMS, not your email address.**

Both the Log in and Register buttons are in the top right corner of the LMS. (image 1)

(image 1)

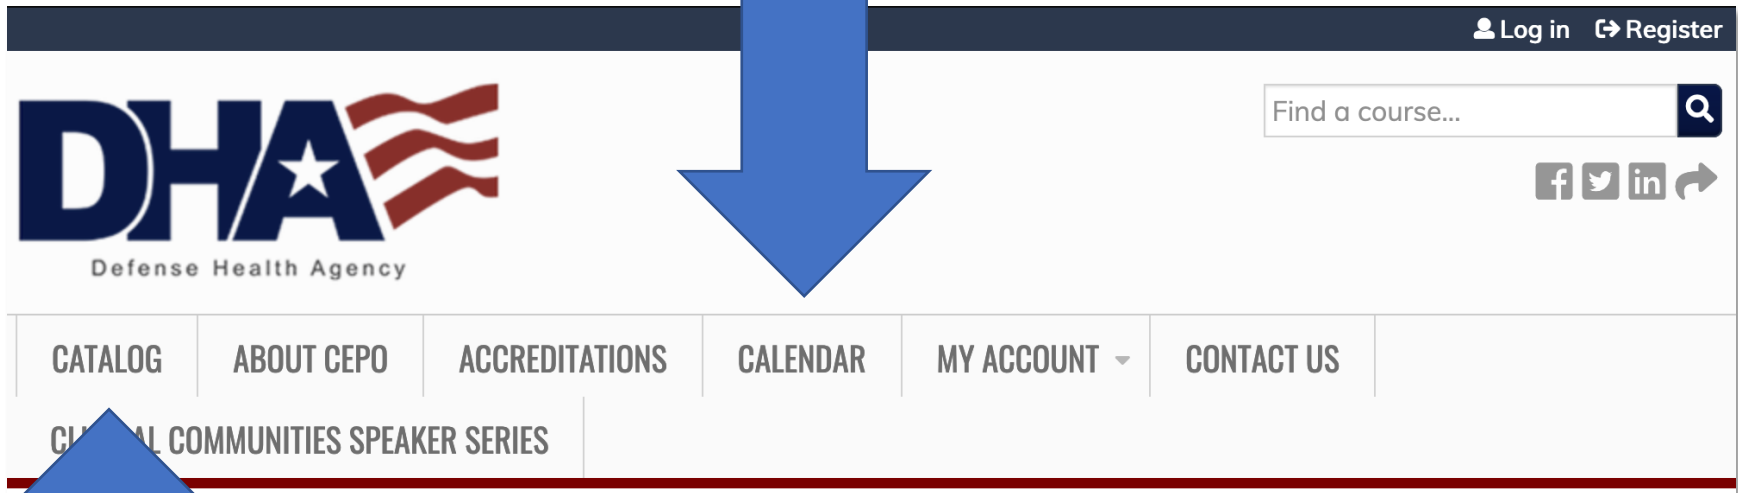

After you have created an account, you can begin to obtain continuing education (CE) credits. You will know that you are logged into the LMS when you see “Your Name,” My account and Log out in the top right-hand corner where the Log in and Register buttons were. To find a course that you know the name of, you can use the Find a course... search bar located directly underneath your name. (image 2)

(image 2)

If you do not know the name of the course you are looking for, you can also click on the CATALOG tab or the CALENDAR tab to view courses which are being offered. (image 3)

(image 3)

When you have found a course you are interested in, click on the link to go to the course's page. On the course's page, you will see tabs that provide information about the course. Depending on the design of the course, you will see a TAKE COURSE button on the Course Overview page. If this button is not available on the Course Overview page, then click on the Register tab. In the REGISTER page, you will see the TAKE COURSE button. (image 4)

Management of Opioid Use Disorder

[OVERVIEW](#) [FACULTY](#) [ACCREDITATION](#) [REGISTER](#)

EthosCE health care is providing this information to update professionals on mental health issues to support continuing education of medical and mental health professionals. A formal needs assessment of the mental health community, current issues in mental health, and a hospital staff needs assessment are the indicators for the content of the Wednesday Lecture Series programs.

Participants should be able to describe current psychiatric diagnoses, analyze various treatments presented, and apply this knowledge in developing their own strategies for more effective management of patients. No special background is required for physicians attending these lectures.

Target Audience

- Physicians

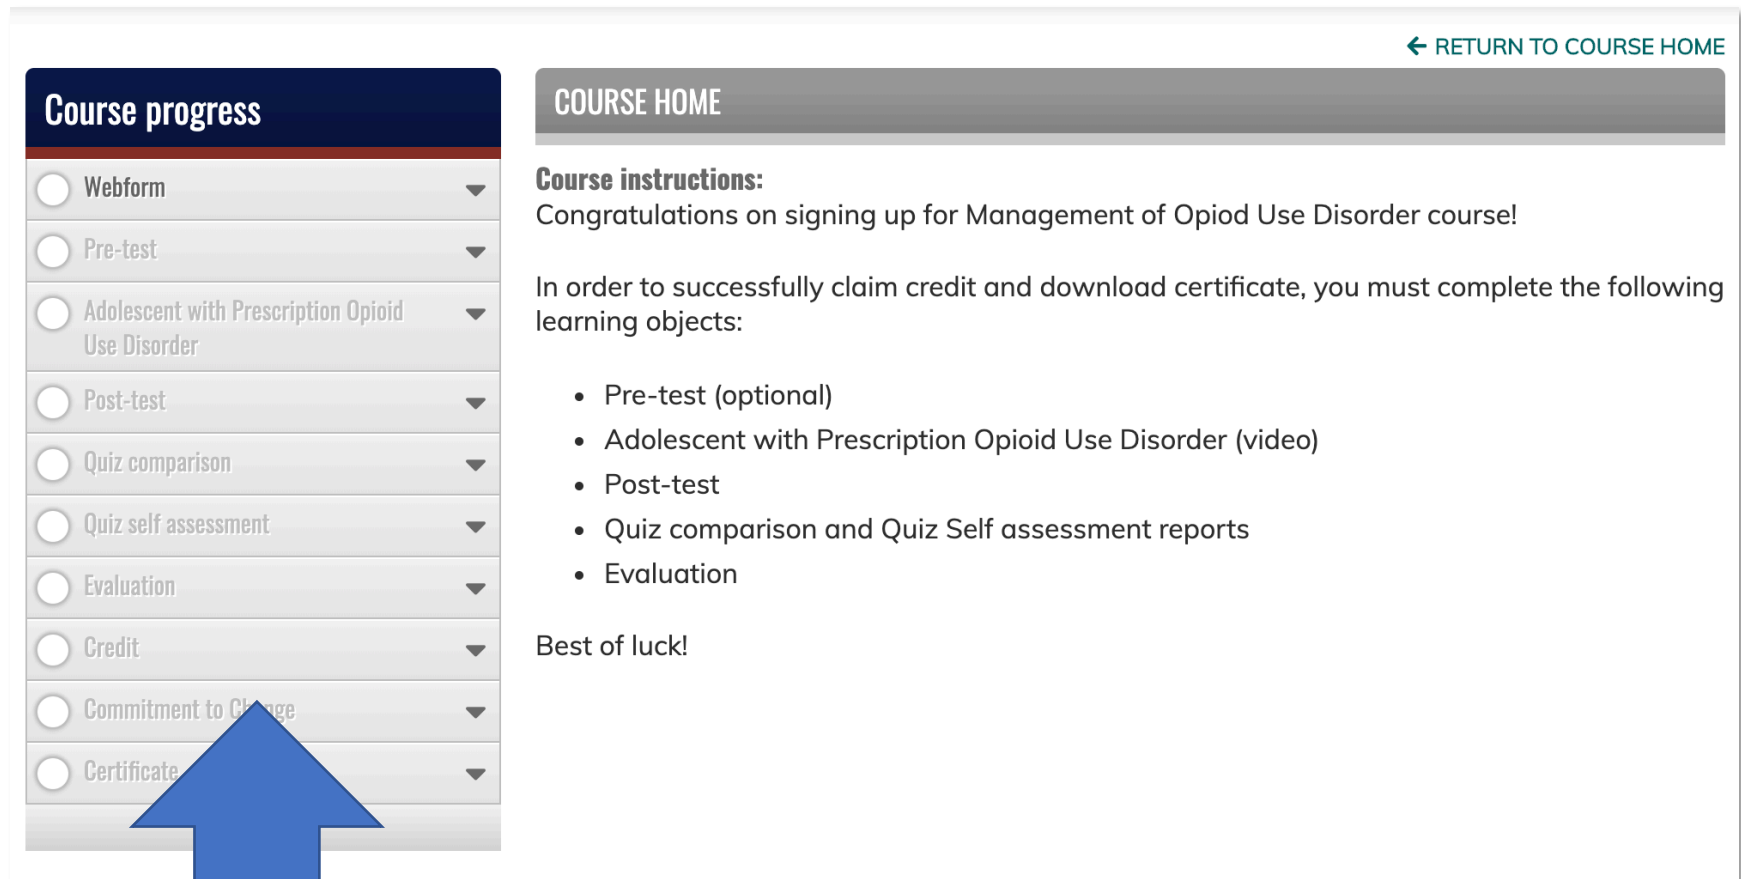

Course summary

Available credit:	1.00 Attendance
Course opens:	07/01/2018
Course expires:	08/31/2040

The course progress menu will indicate the tasks needed to be completed to be awarded CE credits. All tasks must be completed. Your progress will be automatically saved. (image 5)

The screenshot shows a user interface for a course. On the left is a vertical menu titled "Course progress" with a dark blue header. The menu items are: Webform, Pre-test, Adolescent with Prescription Opioid Use Disorder, Post-test, Quiz comparison, Quiz self assessment, Evaluation, Credit, Commitment to Change, and Certificate. Each item has a radio button and a dropdown arrow. A large blue arrow points upwards from the bottom of the page towards the "Certificate" item. On the right is a section titled "COURSE HOME" with a grey header. It contains "Course instructions:" followed by a congratulatory message and a list of learning objects. A link "RETURN TO COURSE HOME" is in the top right corner.
