

# Continuing Education Program Office (CEPO)

**J-7, Education & Training**  
**Defense Health Agency (DHA)**

## Who We Are

DHA J-7 CEPO supports military health organizations in and outside the Department of Defense by accrediting continuing education (CE)/continuing medical education (CME) activities for healthcare professionals and teams who support veterans, uniformed service members, and service members' families.

## Our Mission

To expand access to continuing education that advances the evidence-based practices, military readiness, and interprofessional collaboration and skills of healthcare teams throughout the enterprise.
