CEPO Spotlight

To sustain its status as a jointly accredited provider of continuing education for 14 healthcare professions, CEPO underwent a rigorous reaccreditation process that showcased the program's success over the past six years. After applying for Joint Reaccreditation with Commendation in June, CEPO team members concluded their months of preparation by celebrating the completion of their final interview.

Join Our Monthly Interprofessional Continuing Education Meeting

***The first Monday of every other month at 9:30 a.m. ET
(next meeting on Monday, August 4, 2025)***

These meetings provide continuing education planners and educators updates on education and training initiatives, as well as guidance on developing continuing education activities for military healthcare professionals (with a new guest speaker or topic each meeting)!

New schedule!

Meetings will now be held every other month and run for 90 minutes, with the last half hour dedicated to answering questions about your specific applications and activities.

Interested in joining or speaking at the meeting? Contact us.
