2. You will need review and consent to the End User License Agreement

You are ready to participate in the registry.

OMB Control No. 2900-0800: This information is collected in accordance with section 3507 of the Paperwork Reduction Act of 1995. Accordingly, VA may not conduct or sponsor and you are not required to respond to a collection of information unless it displays a valid OMB number. We anticipate that the time expended by all individuals who complete this questionnaire will average 40 minutes. This includes the time it will take to read instructions, gather the necessary facts and fill out the form. The results of this questionnaire will lead to improvement in the quality of service delivery by helping to shape the direction and focus of specific programs and services. Submission of this form is voluntary and failure to respond will have no impact on benefits to which you may be entitled.

End User License Agreement ("EULA") and Notice of Privacy Practices ("Notice").

By agreeing to install VA's mobile application ("Application") on to your device and by subsequent use of the Licensed Software, you agree to comply with the terms of this general End User License Agreement ("EULA") and Notice of Privacy Practices ("Notice"). If you do not agree to the terms of this EULA and Notice, do not install or use the Licensed Software but uninstall it from your device. This EULA and Notice applies to any upgrades and supplements to the original Licensed Software provided and is referred to on your opening screen. A copy of the EULA is available from within the Licensed Software. It is your responsibility to review any future changes to the EULA and to uninstall the software if you do not agree to the terms.

1. The Licensed Software is owned by VA. The Licensed Software is licensed, not sold, only on the terms of this EULA. Acceptance and installation of the software indicates your acceptance of the terms and conditions of this EULA.

3. Request an Eligibility Review

If DoD records do not transfer over, our team will need manually verify your deployment locations. This may occur if you were deployed prior to 1998 and for recently/currently deployed service members.

Please select the [Request an Eligibility Review](#) button to begin the review process:

[Request an Eligibility Review](#)

Once you select the button, please complete these 3 steps:

1. Contact Information
2. Eligible Deployment Information
3. Submit Request

You will be contacted within 14 business days of completing the 3 steps listed above.

For support with these steps, [download a document](#) to assist you.

You are eligible to participate in the registry if you were deployed to the Southwest Asia theater of operations any time after August 2, 1990 or Afghanistan or Djibouti on or after September 11, 2001.

Regions and countries include:

- Afghanistan (after 9/11/2001)
- Bahrain
- Djibouti (after 9/11/2001)
- Egypt (1990 and later)
- Gulf of Aden
- Gulf of Oman
- Iraq
- Kuwait
- Oman
- Qatar
- Saudi Arabia
- Syria (after 9/11/2001)
- United Arab Emirates
- Uzbekistan/Karshi-Khanabad (after 9/11/2001)
- Bodies of Waters: Arabian Sea, Gulf of Aden, Gulf of Oman, Persian Gulf, and Red Sea (limited to ship deployments)

Operations and campaigns include:

- Desert Shield and Desert Storm (ODS/S)
- Iraqi Freedom (OIF)
- Enduring Freedom (OEF)
- New Dawn (OND)

Even if you are not eligible for the registry, we encourage all Veterans who are concerned that their military service has impacted their health to talk to their health care provider, [apply for VA health care](#), and [file a claim](#) for compensation and benefits. You do not have to participate in the registry to receive compensation and benefits or health care from VA.

If you have any questions or concerns, please contact us at: vaburnpiter@va.gov.

Health Concerns

If you have health concerns please seek medical attention.

Not yet enrolled in VA health care? There are many ways to qualify. [Recent combat Veterans](#) can receive free medical care for any condition possibly related to their service for five years after discharge. [Apply online](#)

For more information on how to get care, [please read the Get Care section](#).

Step 3: Send My Information:

Submit your information for it to populate into the system. The Registry Managers will conduct a manual review in our VA/DoD databases to verify you. This review may take up to 14-30 days (due to increase demand), you will receive communication from the Registry portal regarding your eligibility. Sometimes our Registry Managers may request assistance from you and request documentation to support your eligibility.

You will receive this page when you submit successfully:

Information Submitted

You have successfully submitted the request for review in Airborne Hazards and Open Burn Pit Registry. You will receive communication from VA within 14 business days of submission. If you have any questions or concerns, please contact us at: vaburnpiter@va.gov.

Incorrect Name in Registry

1. When you log in, you may receive a prompt confirming your name and DOB (example)

Welcome, R [redacted] (Birth Day: October 30)

Is this you? Please verify that the name above is correct.

Yes, It's Me No, It's Not Me

- A. Select “Yes, It’s Me” if the name is correct. This will allow you to proceed to your profile
- B. Select “No, It’s Not Me” in order for your name to be reverified/corrected by our Registry Managers. After you select No, you will receive this screen:

Your correct name is necessary to be a participant in the registry.

Please email the Registry Team at vaburnpiter@va.gov

****Please note:**

- Reverifying/Correcting your name in the Registry **does not** carry over into the VA system or DEERS
- If your DOB is incorrect, the Registry Managers will indicate it in your registry profile and unlock your profile. We currently do not have a work around for this issue yet.

2. After your name has been corrected, you will receive instructions to log back into the Registry. You will receive another prompt and an automated email regarding the name correction before proceeding.

How to Correct Deployments

1. Log into the Airborne Hazards & Open Burn Pit Registry:
<https://veteran.mobilehealth.va.gov/AHBurnPitRegistry/#page/home>

If you are not directly taken to the questionnaire, click Start Questionnaire

2. Under Eligible Deployments-VADIR, navigate down to your Deployment Table. If your DoD records transferred over incorrectly or you made a user error initially adding them, you will be able to make corrections before proceeding to the questionnaire.

Example of **incorrect** deployments:

6. If you have additional deployments to add, please follow the same process. Only eligible locations are allowed to be added

Deployments: Opt-In/Out Feature

- For deployment(s) that lasted less than or equal to 14 days you will have the option of not having to answer the Location Specific Exposure section. That section will ask about exposures specific for that location segment during your time there.

Please select the opt out button for the corresponding segment to bypass these questions. All deployment time periods will still be recorded despite their length.

*For deployments over 2 weeks, you are automatically opted in if you mark the deployment "Correct"

Correct	Branch	Begin Date	End Date	Conflict	Location	Opt Out

*If you would like to add/edit your deployments, please feel free to do this before proceeding to the questionnaire. Please navigate to "How to Correct Deployments" for detailed instructions

Adding Deployments as a Participant

1. Once you complete the questionnaire, you are fully enrolled. However, if you redeployed after your questionnaire submission, you can return to your profile to add additional deployments and document your exposures at that location.
2. Please log back in:
<https://veteran.mobilehealth.va.gov/AHBurnPitRegistry/#page/home>
3. You will receive this screen. Click “Next Steps”

Thank you ██████████ for completing the questionnaire. You are now in the registry.
Please review the information below with links and resources that may be of interest to you.

We encourage you to share the Airborne Hazards and Open Burn Pit Registry with fellow Service members and Veterans who may be eligible.

This summary will contain information from your entries into the VA Airborne Hazards and Open Burn Pit Registry.
You have a responsibility to keep your health information safe. While VA ensures privacy and security of your personal health information while the data is in VA systems, VA cannot ensure privacy once you remove a copy of your information from a VA system. Once information is downloaded, saved, printed, emailed, faxed or shared by other method, its protection is up to you. If you print copies of your personal health information, be careful not to leave it in any public places and store copies in a safe place, like a locked file cabinet. If you share your personal health information with others, VA has no authority to ensure these people protect your privacy. Be careful of who you give copies of your personal health information, whether the information was entered by you or is from a VA system. Be sure to destroy printed copies of your health information preferably with a shredder.

4. Scroll to this section and click “Add New Deployments”

VA has enabled the AHOBPR to allow Active Duty, Guard and Reserves to add new eligible deployments as often as needed. Some Veterans may not have included all deployments in the AHOBPR if they submitted the questionnaire before their separation. Upon adding new deployments, you will also be asked to update the specific exposures you experienced during each deployment. In addition, all enrolled should update their contact information. To update or check contact information select [here](#). To add new deployments in the AHOBPR database select [here](#). It may take up to 5 minutes to update each deployment.

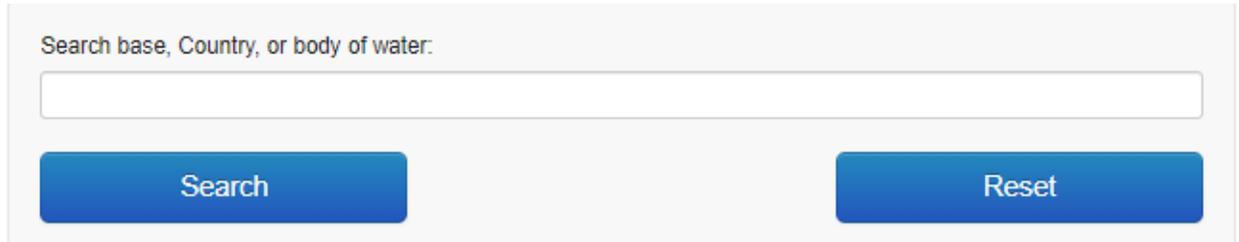

- Update Contact Information

5. It will take you back to your Deployment Table.

You can use the search bar located underneath the table to add your deployments.

*Please note, you will not be able to edit your previous deployments already entered into the table.

A search bar interface with a text input field and two buttons. The text input field is empty and has a light gray border. Above the input field is the placeholder text "Search base, Country, or body of water:". Below the input field are two blue buttons with white text: "Search" on the left and "Reset" on the right.

6. After you add your deployment(s) please proceed to the next page to complete the Location Specific Exposures section. After that is completed, you will submit and receive the initial screen at log in.

Please contact our Registry Managers at vaburnpiter@va.gov if you need further assistance or have any additional questions.
