The screenshot displays the SharePoint interface for the Primary Care Behavioral Health site. The top navigation bar includes links to 'DHA Behavioral Health Clinical Management Team Hub', 'POC's', 'PROGRAMS', 'SPECIALIZED SITES & LISTS', 'TRAINING', 'DOCUMENT CENTER', and 'DHA/OTSG Resources'. The main header features the 'Primary Care Behavioral Health' logo and the text 'DOCUMENT CENTER' and 'Edit'. A search bar is located at the top right. Below the header, a dropdown menu is open, showing 'All Documents' and 'Primary Care Behavioral Health ...'. The main content area is titled 'BHC Training Materials' and shows a list of documents. The list has columns for 'Name' and 'Modified'. Two documents are listed: 'Making Warm Handoffs the Norm FINAL 8JUL25.pptx' and 'Making Warm Handoffs the Norm in PCBH Recording.mp4', both modified 5 days ago.
