

The top banner features several 3D models of COVID-19 virus particles, which are spherical with a grey core and red, spike-like protrusions. They are set against a teal background. The text 'COVID-19' is prominently displayed in white on a dark teal rectangular background in the upper right corner.

# COVID-19

**STOP THE SPREAD.**

## **COVID-19 Practice Management Guide**

The COVID-19 Practice Management Guide was created by a multi-specialty group of 60 subject matter experts from across the Department of Defense Military Health System.

This Practice Management Guideline consolidates resources and optimizes the management of patients requiring clinical care during the global COVID-19 pandemic.
