Use of Autogenous Dentin as a Graft Material for Alveolar Ridge Preservation and Dental Implant Placement

Live, March 7, 2025, Nellis AFB, NV

Continuing Education (CE)/Continuing Medical Education (CME) Information

This CE/CME activity is accredited by the DHA, J-7, Continuing Education Program Office (CEPO). This activity provides continuing education for dentists, dental hygienists and dental technicians. A certificate of attendance is available for other attendees.

Use of Autogenous Dentin as a Graft Material for Alveolar Ridge Preservation and Dental Implant Placement

(1.0 clock hour)

1415 - 1515 (ET)

Learning Objectives:

1. Identify bone grafting with the use of autogenous dentin graft.
2. Distinguish compositional and physiologic differences between the different bone graft materials.
3. Discover the effect of autogenous dentin relative to conventionally used bone graft.
4. Assess the possible benefits of the autogenous dentin graft.

Faculty:

John Corbett, DDS, MS. Presenter has no financial or non-financial relationships to disclose. All relevant financial relationships have been resolved.

Disclosures:

DHA J-7 staff, Planning Committee Members and content reviewers have no financial or non-financial interest to disclose. All faculty members have no financial or non-financial interest to disclose.

Dentists and Allied Dental Staff (ADA CERP)

DHA, J-7, CEPO is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education (CDE). ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP. DHA, J-7, CEPO designates this activity for 1.0 continuing education credit.

Other Professionals

All other health care professionals completing this CE/CME activity will be issued a Certificate of Attendance indicating participation and the number of hours of CE/CME credit. This may be used for submission to licensing boards for satisfaction of CE/CME requirements.

Commercial Support:

No commercial support was provided for this activity.

Participation Costs:

There is no cost to participate in this activity.

CE/CME Inquiries:

For all CE/CME related inquiries, please contact: dha.ncr.j7.mbx.continuing-education-office@health.mil

How to Obtain CE/CME Credit:

To receive CE/CME credit, you must complete the program posttest(s) and evaluation(s) before collecting your certificate(s). The posttests and evaluations will be available through 21 March 2025 at 1159 ET at the following URL:
