

**Defense Health Agency, J-7, Continuing Education Program Office**

**DHA Clinical Pharmacy Course: Pharmacy Administration Course**

**Enduring Material (home study), March 17 – June 6, 2025**

**Continuing Education (CE)/Continuing Medical Education (CME) Information**

This CE/CME activity is accredited by the DHA, J-7, Continuing Education Program Office (CEPO). This activity provides continuing education for pharmacists and pharmacy technicians. A certificate of attendance is available for other attendees.

**DHA Clinical Pharmacy Course: Pharmacy Administration Course (6.00 clock hours)**

**DoD P&T Committee Orientation**

**Learning Objectives:**

1. Outline how the Department of Defense (DoD) Pharmacy and Therapeutics (P&T) and formulary management process works to navigate it, understand how it impacts patient care, and aid in implementation at the local Military Treatment Facility (MTF).
2. Apply basic tools of formulary management to develop local programs to support formulary decisions.

**Tricks of the Trade**

**Learning Objectives:**

1. Describe warnings provided by other MHS GENESIS users and implement changes to personal practice to avoid/address these warning issues.
2. Explain processes of less-than-ordinary actions within MHS GENESIS.

**Understanding and Standardizing DoD Ambulatory Clinical Pharmacy Coding, Part 1**

**Learning Objectives:**

1. Discuss how to code for face-to-face and non-face-to-face time when documenting patient care activities.
2. Contrast the difference between new and established patients as it relates to selecting the appropriate current procedural terminology (CPT) code.
3. Identify diagnostic codes, evaluation, and management (E&M) codes, and procedural codes that are most appropriate for clinical pharmacy documentation of care for medication therapy management (MTM) and Prolonged Services.

**Understanding and Standardizing DoD Ambulatory Clinical Pharmacy Coding, Part 2**

**Learning Objectives:**

1. Outline how to market your Clinical Pharmacy services.
2. Explain ways to improve Provider prescribing through pharmacist intervention in the Medical Home.
3. Identify roles of Clinical Pharmacy in population health management.

**Role of the Clinical Pharmacy Technician in the Medical Home**

**Learning Objectives:**

1. Discuss the roles of the clinical pharmacy technicians in improving the patient encounter in the medical home.
2. Describe the clinical pharmacy technician position description and competency assessment.

**MHS Genesis Reports for Clinical Pharmacy**

**Learning Objectives:**

1. Define the clinical pharmacist role in MHS Genesis reporting.
2. Recognize key reports utilized to improve quality patient care.
3. Explain differences in similar data of pharmacist encounters and documentation.
4. Discuss current best practices in pharmacy reporting.

**Faculty:**

**CDR Gao Phung, Pharm.D., M.S., M.B.A.** Presenter has no financial or non-financial relationships to disclose.

**Becky Briar, B.S.Pharm., Pharm.D., B.C.A.C.P., C.A.C.P., T.T.S.** Presenter has no financial or non-financial relationships to disclose.

**Michael Clark, Pharm.D., B.C.A.C.P.** Presenter has no financial or non-financial relationships to disclose.

**Joe Frattali, C.Ph.T.** Presenter has no financial or non-financial relationships to disclose.

**Alexandra Vance, Pharm.D., B.C.P.S.** Presenter has no financial or non-financial relationships to disclose.

**Disclosures:**

DHA J-7 staff, Planning Committee Members and content reviewers have no financial or non-financial interest to disclose. All faculty members have no financial or non-financial interest to disclose.

**Pharmacists (ACPE)**

**UAN JA4008136-0000-25-029-H04-P**

No valid paper/electronic statement of credit will be offered. DHA, J-7, CEPO is accredited by the American Council for Pharmacy Education (ACPE) to provide continuing education for Pharmacists. This knowledge based activity will provide a maximum of 14.50 contact hours of pharmacy continuing education credit. Participant CE records will be electronically communicated to CPE Monitor. There is no cost to participate in this activity.

**Pharmacy Technicians (ACPE)**

**UAN JA4008136-0000-25-029-H04-T**

No valid paper/electronic statement of credit will be offered. DHA, J-7, CEPO is accredited by the American Council for Pharmacy Education (ACPE) to provide continuing education for Pharmacy Technicians. This knowledge based activity will provide a maximum of 14.50 contact hours of pharmacy continuing education credit. Participant CE records will be electronically communicated to CPE Monitor.
