Cone-beam Computed Tomography: Clinical Application and Implications

Internet live course, August 4, 2025

Continuing Education (CE)/Continuing Medical Education (CME) Information

This CE/CME activity is accredited by the DHA, J-7, Continuing Education Program Office (CEPO). This activity provides continuing education for dentists, dental hygienists, and dental technicians. A certificate of attendance is available for other attendees.

Cone-beam Computed Tomography: Clinical Application and Implications (8.00 clock hours)

0700-1600 CDT (0800-1700 ET)

Learning Objectives:

1. Recognize the indications for small, medium, and large volume CBCT images
2. Identify the indications for CBCT imaging in dentistry
3. Identify the required components of a CBCT report
4. Explain the fundamental of radiation physics and safety
5. Identify normal anatomy and anatomic variation on CBCT images
6. Describe the principles of ordering, acquisition and CBCT interpretation

Faculty:

Lt Col Erik Anderson, D.D.S. Presenter has no relevant financial or non-financial relationship with ineligible companies to disclose.

Disclosures:

DHA J-7 staff, planners, authors, faculty, and content reviewers for this educational activity have no relevant financial or non-financial relationship(s) with ineligible companies to disclose.

Dentists and Allied Dental Staff (ADA CERP)

DHA, J-7, CEPO is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education (CDE). ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

DHA, J-7, CEPO designates this activity for 8.00 continuing education credits.

Other Professionals

All other healthcare professionals completing this CE/CME activity will be issued a Certificate of Attendance indicating participation and the number of hours of CE/CME credit. This may be used for submission to licensing boards for satisfaction of CE/CME requirements.

Commercial Support:

No commercial support was provided for this activity.

Participation Costs:

There is no cost to participate in this activity.

CE/CME Inquiries:

For all CE/CME related inquiries, please contact: dha.ncr.j7.mbx.continuing-education-office@health.mil.

How to Obtain CE/CME Credit:

To receive CE/CME credit, you must complete the program posttest(s) and evaluation(s) before collecting your certificate(s). The posttests and evaluations will be available through 18 August 2025 at 2359 ET at the following URL: www.dhaj7-cepo.com.
