Holistic Healing: Integrating Physical and Psychological Care in Limb Trauma

Day 3

Enduring Material (Home Study), 15 August 2025 to 15 August 2026, Bethesda, Md.

Continuing Education (CE)/Continuing Medical Education (CME) Information

This CE/CME activity is accredited by the DHA, J-7, Continuing Education Program Office (CEPO). This activity provides continuing education for physicians, nurses, social workers, psychologists, occupational therapists, occupational therapy assistants, physical therapists, and physical therapist assistants. A certificate of attendance is available for other attendees.

**FAST 2025: Holistic Healing: Integrating Physical and Psychological Care in Limb Trauma-DAY 3
(6.5 clock hours)**

Learning Objectives:

1. Describe the history, theory, and clinical application of the Battlefield Acupuncture (BFA) protocol, including the five-point placements and their specific sequence.
2. Perform the Battlefield Acupuncture technique, including proper needle insertion and aftercare, and assess its effectiveness in pain management.
3. Design a holistic and inclusive plan of care for patients with limb loss, incorporating psychological, social, and physical rehabilitation strategies.
4. Examine the cognitive, emotional, and social challenges that individuals face following limb loss, and identify evidence-based holistic interventions to facilitate recovery.
5. Understand how visual art, music, and dance/movement therapies can be utilized for physical and psychological rehabilitation, particularly for military and veteran populations.
6. Apply various creative arts-based interventions, including art therapy, music therapy, and dance/movement therapy, to support emotional regulation, social connectedness, and overall well-being in clinical settings.
