TBICoE: Progressive Return to Activity Following Acute Concussion/Mild Traumatic Brain Injury- 2026

Other/blended Learning, January 1, 2026 – December 31, 2026

Continuing Education (CE)/Continuing Medical Education (CME) Information

This CE/CME activity is accredited by the DHA, J-7, Continuing Education Program Office (CEPO). This activity provides continuing education for physicians, nurses, physician associates/physician assistants, and athletic trainers. A certificate of attendance is available for other attendees.

TBICoE: Progressive Return to Activity Following Acute Concussion/Mild Traumatic Brain Injury- 2026 (1.00 clock hour)

Learning Objectives:

1. Explain the rationale for using the Progressive Return to Activity (PRA) protocol for all service members post-concussion.
2. Summarize the criteria for progression through the PRA protocol following a concussion.
3. Describe appropriate activities at each stage of progression.
4. Apply primary care management strategies and specialty referral considerations to treat concussed service members who are not progressing as expected.
5. Recognize that accurate documentation and coding are essential for continuity of care.
