DHA Nursing Practice Virtual Forum: Prevention of Group A Strep in High-Density Training Environments

Live Course, January 29, 2026

Continuing Education (CE)/Continuing Medical Education (CME) Information

This CE/CME activity is accredited by the DHA, J-7, Continuing Education Program Office (CEPO). This activity provides continuing education for physicians, nurses, and physician associates/physician assistants. A certificate of attendance is available for other attendees.

DHA Nursing Practice Virtual Forum: Prevention of Group A Strep in High-Density Training Environments (1.00 clock hour)

1440 – 1540 (ET)

Learning Objectives:

1. Describe the basic pathophysiology, transmission dynamics, and clinical presentation of Group A Strep in high-density military training populations.
2. Identify early warning signs of a potential Group A Strep outbreak using current DHA surveillance criteria.
3. Apply evidence-based infection control strategies to prevent the spread of Group A Strep in shared living and training environments in accordance with DHA guidelines and local Standard Operating Procedures (SOPs).
4. Develop a nursing response plan for suspected Group A Strep outbreaks, including communication with leadership, isolation procedures, and prophylaxis coordination.
