Interprofessional Continuing Education (IPCE)

In support of improving patient care, DHA J-7 CEPO is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team. This activity was planned by and for the healthcare team, and learners will receive 1.00 Interprofessional Continuing Education (IPCE) credit for learning and change.

Physician Associates/Physician Assistants (AAPA) – Live

DHA J-7 CEPO has been authorized by the American Academy of Physician Associates (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 1.00 APA Category 1 CME credit. PAs should only claim credit commensurate with the extent of their participation.

Psychologists (APA)

Continuing Education (CE) credits for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (CEP). The APA CEP Office maintains responsibility for the content of the program. Participants earned 1.00 credit for attending this activity.

Physical Therapists and Physical Therapy Assistants (APTA)

DHA J-7 CEPO is an American Physical Therapy Association (APTA) Approved Provider of continuing education. This activity was planned by and for the healthcare team, and learners will receive 0.1 APTA CEU. The assignment of APTA CEUs does not imply endorsement of specific course content, products, or clinical procedures by APTA. APTA CEUs are accepted by most state PT licensing boards. Learners are encouraged to check with their local chapter or state board to ensure that they accept APTA accredited courses for licensure renewal.

Other Professionals

All other healthcare professionals completing this CE/CME activity will be issued a Certificate of Attendance indicating participation and the number of hours of CE/CME credit. This may be used for submission to licensing boards for satisfaction of CE/CME requirements.
