2026 Facility Manager Training

Live Course, June 9-11, 2026, San Antonio, Texas

Continuing Education (CE)/Continuing Medical Education (CME) Information

This CE/CME activity is accredited by the DHA J-7 Continuing Education Program Office (CEPO). This activity provides continuing education for healthcare executives across the Military Health System (MHS). A certificate of attendance is available for other attendees.

2026 Facility Manager Training (15.00 clock hours)

Learning Objectives:

1. Articulate how applying the JC Scoring Methodology directly supports the DHA's strategic priorities, specifically focusing on "Line of Effort 4: Deliver the Healthcare Enterprise Beneficiaries Deserve" and its contribution to overall warfighter medical readiness.
2. Utilize real-time facility data and visual management dashboards to accelerate decision-making and drive timely corrective actions in support of warfighter readiness.
3. Develop requirement packages and scopes of work that explicitly prioritize readiness drivers and align facility investments with mission-critical functions.
4. Analyze the impact of facility operations on key readiness metrics, such as deployability rates and access-to-care standards, to better support the warfighter.
5. Implement continuous improvement processes to identify and eliminate systemic barriers within facility management that impede mission success and the delivery of timely, high-quality healthcare.
